

Stick a Fork in 2020 ... it's 2021!

Let's all agree to put 2020 in the rear view mirror and wave it a *not-so-fond* farewell!

The new year brings with it a sense of relief, of hope, of better (*more normal*) things to come. Loyola Credit Union is here to help those things come true. Our numerous quality products and services are designed with your financial needs and wellness in mind.

If you haven't already done so, now is a good time to review your finances, develop a budget, and learn to control your finances (and not let *them* control you). Need help? We're here to provide guidance. And our products and services (and low rates!) help you get the most for/from your money.

As we experienced in 2020, life throws a lot at us. Let your Loyola Credit Union help you and your family enjoy a more secure 2021.

Have You Changed Your E-Mail Address?

One of the most effective means of communications these days is e-mail. It's fast, convenient ... and offers social distancing! So – we need to make sure we have your most current e-mail address. You may have changed yours and forgotten to tell us.

Please let us know so we can keep our records up-to-date. Thank you!

Annual Meeting

Due to the on-going corona virus pandemic, plans for our annual meeting are on hold. It is likely that we will conduct the meeting in late March, as a remote-only event. Please check our web site for more details as we move closer to that time.

You DON'T Need to Close Your Account!

There has been some misinformation floating around regarding your Loyola Credit Union account. To be perfectly clear: There is NO NEED to close your credit union account(s) when you retire, move, or even if you leave Loyola.

Your membership is GOOD FOR LIFE, and goes with you!

And our comprehensive e-banking services – including mobile apps and remote deposit -- make it easy to do business with us, even from across the country!

GAP Insurance Provides Extra Protection

There is more than just seat belts and airbags to protect your family in case of a wrecked vehicle. There also is GAP Plus insurance.

GAP Plus insurance may reduce or eliminate the gap between what your vehicle insurance will pay and what you still owe on your loan, in the event your vehicle is deemed a total loss. It effectively protects you from sudden out-of-pocket expenses, at a time when your life has been upended.

Don't let a wrecked vehicle wreck your family finances ... enjoy the peace of mind GAP Plus insurance provides.

Credit Insurance May Make Payments When You Can't

Who would make your loan payments if you were unable to do so, due to unexpected disability? Credit Life and Disability Insurance does just that.

As we've seen throughout this past year, we all are vulnerable to unforeseen events and situations. Credit Life and Disability Insurance is one safeguard you can rely on to help lighten the financial burden your loved ones might experience.

Call Loyola Credit Union at **708.216.4500** to learn more.

Christmas Stocking Winner is ...

The winner of the 2020 Christmas Stocking drawing is **Zale Niemann**. He took home the giant stocking filled with toys and kids' activities. Zale's name was randomly drawn from the hundreds of entries into our annual drawing.

This year, Loyola Credit Union members purchased nearly \$500 worth of tickets. The credit union matched that sum, for a total of nearly \$1,000. **ALL proceeds** from the drawing will again benefit a worthy local charity – Thank you all!

The credit union also donated two (2) additional stockings, to Loyola Hospital ER and to the Pediatric Unit / Ronald McDonald House.

Thanks to everyone who helped make this past holiday season a little brighter for those who really need it. Once again, our members come through ... *People Helping People.*
